JANUARY/FEBRUARY 2026

MISSIONARIES TO PERÚ

Family Camp

We had our 3rd annual Family Camp January 14-17. This year we were able to add an extra day, and it gave us more time for fellowship and allowed us to have a bit more of a relaxed schedule. We had around 60 people attend, and God blessed in the classes and services.

MK Camp

The last week of January five of us (Robert, Caleb, Joshua, Lydia, and Zachary) were able to once again attend a camp for missionary kids in Lima. We thank the Lord for the safety He gave us in travel and for the encouragement it was to our children. They were able to reconnect with friends from previous years and also make some new friends. We are thankful for those who worked hard to put on this camp.

VBS

February 12-14 we had a cowboy-themed VBS. More than 60 children attended, and it was exciting to see almost all of them come multiple days. That makes it so much easier to connect and make sure we know where the children live for follow up. There were around 30 people from the church who worked during the VBS, and others who helped with preparations beforehand. The youth group did almost all of the decorations, and they did a great job. We had some especially attentive kids in the adolescent class as we studied the Romans Road, and we pray for them to understand and be saved. One adolescent boy (who had attended Bible club several years ago) has been attending the youth meeting since then, and several new children have visited the church as well. Thank you for your faithful prayers and financial support of our family and the ministry here in Tacna, Peru.

came with her little girl and brought another lady with her daughter. We were able to share the Gospel with several mothers. Thank you for praying!

Bus Route

We are so thankful for the 12-passenger van that so many gave towards. It enables us to pick up children for Sunday School and take people home after youth meetings or night services when the public bus no longer runs. Last week, the father of one of our faithful riders tragically passed away after being hit by a stray bullet. I was able to visit him in the hospital and briefly share the Gospel, but we are unsure if he made a decision due to his critical state. *Please pray for us as a church as we seek to minister to Paola and her family.*

Teen Camp

This week, February 24-28, is our teen camp. We have been busy with preparations as we are once again in charge of the kitchen. I will also be teaching several times, while Sara runs the snack shop. This year 7 churches are participating, and we are expecting 130 people or so, almost 100 of them being teenagers. From our church 23 young people are signed up. We are praying for spiritual decisions to be made and for this to be an encouraging time. Please pray for strength and help during this week, especially as we are in the hottest part of the summer and also have been fighting sickness for several weeks.

Throughout these busy months, we have continued in discipleship and other regular ministries. We are excited to see growth and faithfulness in many individuals.
