Missionaries to the Philippines

4th Quarter of 2025 Prayer Letter

"And let us not be weary in well doing: for in due season we shall reap, if we faint not." —
Galatians 6:9 (KJV)

Dear Praying Friends,

This December season reminds us that the work of God moves forward not by our own strength, but by His faithful provision. As we continue serving in the mission field and ministering to the children entrusted to us, we are trusting the Lord to supply every need

for His work according to His perfect will and timing.

We are also thankful to share a joyful update from our December outreach. Through the gift-giving and tribal children's feeding, 212 children were able to attend. It was a

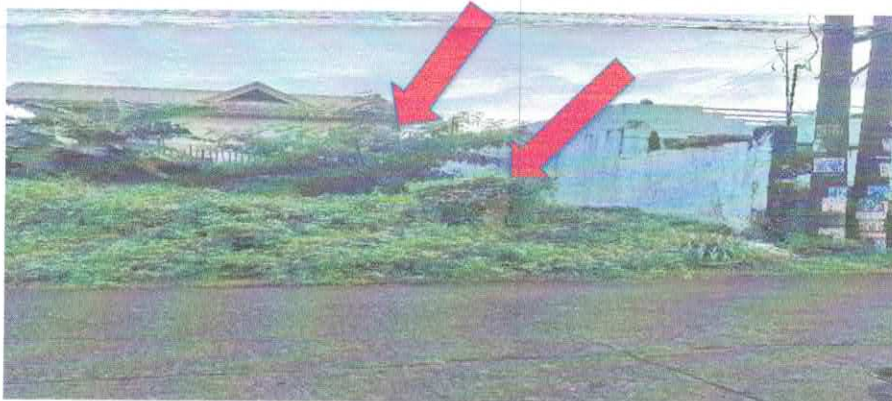

blessing to see their smiles and to share God's love with them during this season.

This month, we humbly ask for your prayers regarding the lot property we are believing God to provide for our ministry. For the past 3 years, we have been renting the place where the mission work is ongoing. We are now praying to purchase the land so the ministry can have a permanent home. By God's grace, we have already raised \$4,000 toward the purchase, and we are trusting the Lord for the remaining \$17,000. Please join us in prayer that God will provide according to His perfect will and timing.

Thank you for standing with us in prayer. May the Lord richly bless you and your family this Christmas season.

For the Gospel's Sake,
