**We could use your help.** This will be the last letter that we will be sending out regarding our church building situation. We have been given a short extension and **BY FAITH** plan to have a mortgage burning celebration along with our 8th church anniversary on May 3rd. The remaining balance is \$32,000 in order to accomplish this goal. We have already paid off almost 98% of it! Would you be able in any way to help us in this regard? With God's help and your partnership, we can cross the finish line together. We look forward to the day when we can dedicate this building debt-free to the glory of God.

If you are able, you may give on our church website: **lifesignsdeafchurch.com** or you may send a check **payable to:**

*We are thankful  
for your support!*

Please know that none of the funds raised go toward our personal support or church budget—**all goes toward this goal.** Thank you for your consideration.

Respectfully,

*Scott Crabtree*
