“Starting churches and training preachers in the Dominican Republic”

April 2026

## Beloved Pastor and Brethren,

It is my great pleasure to write you once again to share with you the progress of the Lord's work here in the Dominican Republic. The Lord had been good to us and has given us the strength to keep on bearing the fruits of salvation and spiritual growth in the lives of the saints.

### 9th Conference: Missions Through the Local Church

We spent the first months of the year organizing and promoting this conference, which is designed for missionaries, pastors, and local church leaders. This year was particularly special, as preachers and workers from many different towns and cities attended to learn how our church maintains an effective missions program.

Pastor Paul McMillan, a veteran missionary who has been in the Dominican Republic for 47 years, preached the Word alongside Pastor Carlos Mora, the pastor of El Limón Baptist Church in Samaná, who is one of our missionaries.

This conference has helped dozens of churches hold their own Missions Conferences and invest in other pastors who are starting new churches in different parts of the country and in Haiti.

### Blessings on the Outreach Routes

Another great blessing in the recent months has been the salvation of some of the parents of the children from the church's routes, who now come with their children. Please pray for María, Rafael, and others. That should be the goal of bringing children to church, to bring their parents as well and reach them with the Gospel.

### Remarkable Growth Among Our Youth

The Lord has allowed us to see a remarkable increase of young people attending church. Please help us pray that the Lord would give us the wisdom to help them grow spiritually and that some of them would dedicate themselves to serve the Lord in the ministry.

### Families Saved and Added to the Church So Far This Year

We thank the Lord for the salvation of Lisbeth and her mother Elma and for Camila and her son Camilo. I ask you to pray for them. Since they have been saved, they had been faithfully attending church.

Thank you once again for your prayers and financial support.
