*"Building Durable Missionaries
So They Keep on Going"*

Dear Praying Friends:

March 2026

We are very thankful how the Lord's hand of blessing is on us each and every day. Our desire is to faithfully be about our Father's business. Here are a few things to let you know what is going on in our ministry.

SPECIAL PROJECT FOR ETHIOPIA

We are involved in a special project to help our Ethiopian brother, Berhanu Yoseph, and his extensive ministry in Africa. The Lord has provided a large amount of ministry supplies that have been donated for the East African Baptist Mission (or, EABM). Everything needs to be sorted, packed and prepared to be shipped overseas; including hundreds of books that will eventually be set up as a library for the EABM Bible College. Please pray for this project as we ultimately pack everything into a shipping container, along with Scriptures, two or three pianos and a very large tent and send them on their way. Continue praying that the Lord will safely deliver them to Ethiopia before the end of summer.

MORE LABORERS AS BELIEVERS OBEY THE LORD OF THE HARVEST

In 2023 we first met the Zach Smith family as they began their journey to American Samoa. It has been a privilege to help them and a joy to see how the Lord has brought them to the threshold of moving to the mission field. In May their home church will have a commissioning service and send them to the work God has called them to do; we plan to attend that sacred event. In March it was exciting to participate in the commissioning service for Hannah Holmquist as the Harvest Baptist Church of the Deaf sent her to make disciples of the Cambodian people.

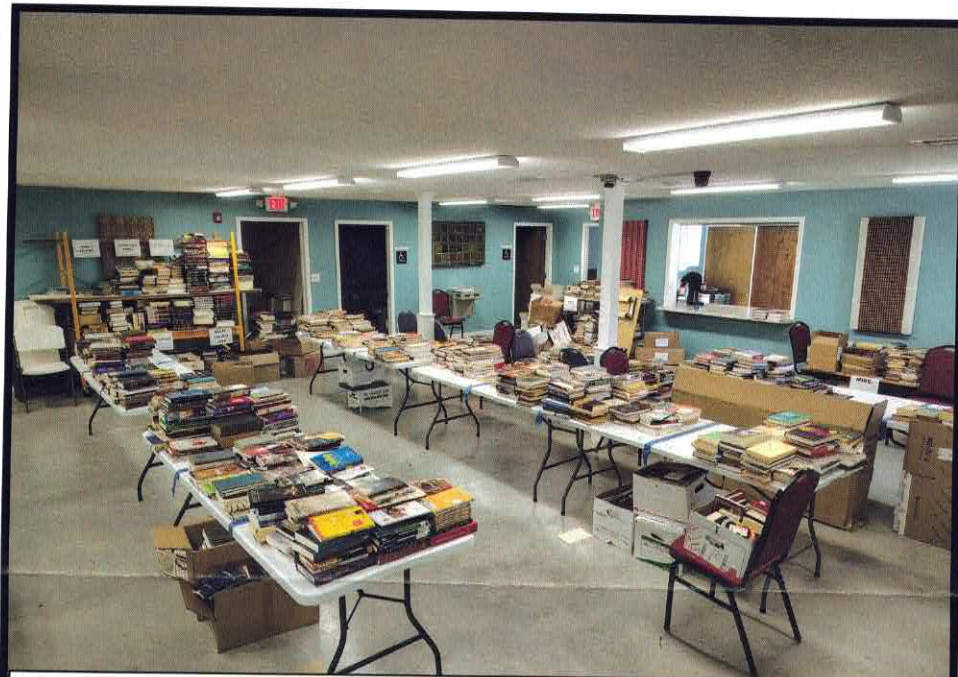

The journey to missionary service involves more than just taking an airplane flight, many steps are involved. We are encouraged that already this year we have interviewed two couples who are beginning their journey to the mission field; they have applied to be missionaries with BIO. We look forward to see how the Lord will use us to help them on their journey—and ultimately deliver them to the mission fields of Indonesia and South America.

We are thankful for so many people who have helped us over the years in our missionary journey, especially those of you who support us financially and pray for our ministry. May God richly bless each of you for your faithfulness!

With thanks,

Terry + Barbara
