Fires of Evangelism Recently

Concerning our conferences: last week Bro. Salazar had a Fires conference in his church in Ontario, CA, where 70 pastors attended and 22 brethren surrendered for full-time service.

In just a week, we will have our conference at the home base.

Victor speaking in Costa Rica

In July, we have a conference in Belize.

Lord willing, we plan to have our anchor team of speakers at the Fundamental Baptist Church of Celaya, Mexico, August 3-6. This church lost their beloved pastor, Alejandro Cordova, a few months ago. PLEASE PRAY for this conference!

Prayer Needs

I have been asked to teach in a Bible college in Nicaragua in October. Pray that I can afford the travel expense to do so. Pray that God will give us fruit for our labor and for His glory. Continue to pray for that God will give wisdom and funds about replacing my car that has over 325,000 miles. God miraculously provided to replace Robin's car last year, and we are so immensely grateful to all that God used to make that a reality.

"Alone, Little; Together, Much*"

One of the beautiful things about our Fires of Evangelism ministry is the "teamwork" among the staff, the team of speakers, and among so many of the hosting pastors and their churches. It makes one think about Psalm 133:1 — *"Behold, how good and how pleasant it is for brethren to dwell together in unity."* And when we work together, there is the opportunity to rejoice together in success. John 4:36 — *"And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together."* Robin and I are so grateful for the blessing of working together with Elmer and Martha Fernandez in this ministry for nearly 23 years. Then add to this the love and labor of other recognized speakers in the Spanish world who help make Fires of Evangelism what it is, the rejoicing in heaven will be phenomenal and truly glorious when God reveals the reality of the harvest.

I saw this teamwork in our conference in San Jose, Costa Rica last month, as demonstrated by the efforts of Juan Pastrana and Carlos Leiton who together hosted our Fires conference. This was our first conference there since three years ago. Pastors Pastrana and Leiton planned well, prepared diligently, and coordinated their work to provide a good location and a heart-warming program. Our speakers that worked together were Luis Parada (Salvadoran), Hazael Cocon (Mexican), and myself (American). God blessed during the week. Although numbers may not impress, one cannot deny that God worked in hearts. Believers and pastors were challenged in faithfulness, purity of life, and gospel presentation. Thankfully, eleven pastors and missionaries attended. There were four brethren that surrendered their lives to serve the Lord in full-time service.

PM Service in Costa Rica

Teamwork will be the "name of the game" for our Fires conference at the home base in Bartlett, IL, that begins on June 22. We have 12 different speakers (including myself) that will speak to six different groups each morning in six different locations. This conference has a lot of moving parts. May God's Spirit give us continued unity, understanding, and usefulness so that He may accomplish His heavenly purpose in each heart and life.
