MINISTERING TO OUR MILITARY PERSONNEL & THEIR FAMILIES

Spring 2026

Deployed Military

War is always a terrible direction for a nation to have to go. However, because of sin and sinful people it is sometimes necessary as God's Word tells us, "*There is a season and a time to every purpose.... a time of war and a time of peace*" (Ecclesiastes 3:1, 8). This is why a nation must have a military and be prepared to defend its borders. As I write this correspondence (May 14) America is at war. As Christians, we should not desire war, but neither should we oppose the government God has placed over us (Romans 13:1-4). We should pray diligently, especially in these times, and there are some things we can definitely pray for when our nation goes to war:

- (1). Pray for Godly wisdom for our leaders to make the right decisions;
- (2). Pray for the safety of our troops;
- (3). Pray for the minimum of casualties;
- (4). Pray for a quick resolution and pray that the conflict will end soon.

Delightful Ministry

This month I begin my 42nd year as a military missionary. It has been a delight ministering to our men and women (and their families) who wear our nation's uniform. Through the ministry of BIMI Military Missions we have literally seen many thousands come to Christ and their lives changed forever. Hundreds are in the ministry today serving Christ in different parts of the world, who surrendered their lives to God in and through the ministries of our military churches. Only Eternity will reveal the results of military missions and the great work these military missionaries have accomplished through their faithful service.

Deficiency of Messengers

We constantly are thanking God for these faithful military missionaries serving in different parts of the world. However, we need more young men with a burden to reach our military personnel and their families for Christ. Some of those who have faithfully served are getting years on them now and need to be relieved. My dear friend, Dr. Tom Lancaster, went Home to be with JESUS just this past month. This is such a great and rewarding ministry and we whole-heartedly recommend it to someone who is seeking to serve our LORD in missions. Would you pray with us that the LORD of the harvest would send forth more laborers into this needed field?

Determined to Minister

Joyce and I want to thank you for your love, prayers and faithful support through these many years. We are also getting some years on us, but we are determined to keep on keeping on as long as God gives us the strength and ability to serve Him. Thus far this year our ministry has taken us to Maryland, South Carolina, Virginia (twice), Illinois, Tennessee and Georgia. God graciously moved in these meetings, and many were challenged to be more involved in world missions. Please pray that God will use us as we seek to represent the ministry of Military Missions. We love you all and remain...

In Christ's Service,
