Update on Family

On April 15, my mother, Hannah Loriane Brooks, went home to be with the Lord at the age of 96. After a long and fruitful life of faithful service, she spent her final days sharing Christ with the nurses who cared for her. We praise God for her testimony and the impact she had on so many lives. As we grieve her passing, we rejoice in the promise of eternity and take comfort in the words of Scripture: *"Well done, thou good and faithful servant."*

Family

We also have a significant family transition to share. Our precious daughter, Daniela, and our granddaughter, Zoe, will be moving in July to Boca Raton, Florida. Daniela has accepted a teaching position with a Christian school in the area. While we are excited for this new chapter in their lives, their absence will be deeply felt both in our family and in the ministry here in Bolivia. We would appreciate your prayers for them as they settle into their new home, school, and church community.

Political Update on Bolivia

The ministry continues to move forward despite various challenges. Bolivia is currently experiencing significant political and social unrest, creating uncertainty throughout the country. These circumstances may affect some of our upcoming ministry plans, including our National Youth Retreat scheduled to take place in July. We are closely monitoring the situation and may need to adjust the location or timing if conditions require.

Tierras Nuevas Church

We are thankful to report that the remodeling of the church facilities is nearing completion. The main structure is finished, and we only have the kitchen area and several Sunday school classrooms remaining. We are grateful for God's provision and for each person who has prayed and given toward this project.

Thank you for laboring together with us for the souls of Bolivia.
We are deeply grateful for your prayers and faithful support.

In Christ,

Dan & Amparito Brooks

Mount Olives Church

Our youth ministry remains active and growing in the Mount Olives Church. Faithful leaders continue to disciple young people on Sunday evenings investing in the next generation and helping them develop a strong foundation in God's Word. We are encouraged by the spiritual growth we are seeing among these young believers. We were especially encouraged on May 31st when we visited the church and Amparito was invited to speak to the young people. During this opportunity, four young people trusted Christ as their Savior. We rejoice in seeing God continue to work in hearts. Please pray for these new believers as they begin their walk with the Lord and grow in their faith.
