May 2026 Prayer Letter

Dear Prayer Warriors,

We began the month of May with some meetings in Georgia, and we proceeded to Louisiana and Texas to conclude our furlough. We saw quite a few familiar faces while also visiting some new churches. Between the United States and México, we traveled through 29 different states over the course of 5 months. Our time in the United States definitely flew by!

We do praise the Lord for a safe return to our home in Querétaro, México! We had no issues at all in crossing the border or in driving down across México. In the days before we had traveled home, there were protests that had blocked a key part of the last portion of our drive. That ended up clearing up the day before we passed through there. We know God's hand helped us through that journey, and we are so very grateful for that.

Upon returning, we have begun the process of looking for a meeting place for our church. Unfortunately, quite a few places are not willing to rent to churches. Please join us in praying that God would help us to find our meeting place soon so we can begin to prepare it for use. Thank you all again for your generosity to us and your faithful prayers for us!

In Christ's service,

Tim Pontius
