July 2026 Prayer Letter

Dear Prayer Warriors,

We appreciate your prayers for the work our soon-to-be landlord is doing on his property. While we had hoped to be making use of this building by now, unfortunately, that is not the case. Early in the month, some heavy rains caused a setback for part of the plumbing installations that they are working on. While they are currently anticipating finishing their work, signing the contract, and handing us the keys in mid-August, they have still made quite a bit of progress. As you can see in the pictures, they have made quite a bit of progress in pouring the floors and preparing the bathrooms, along with closing what had once been a pretty sizable hole in the wall. We are thankful for your prayers that enabled this progress and ask your continued prayers as this process continues to move forward.

During this time of waiting, we have been able to research and begin purchasing materials for the church. We are beginning to fill the limited space we have in our house with chairs and a little bit of sound equipment, although I am hoping to acquire much more as we move into our facility. Brittany and I both have been working on logo design so we can begin making materials to promote the church plant. At the time of this writing, the final logo design is almost complete, but not quite done yet. We are very excited to share that with you soon.

Also during the month of July, we were able to open up our home to a dog named Teddy. He appears to be some sort of Chow mix, and a rescue agency down here was able to get him off the streets and into our home. All of us are adjusting fairly well to our family's growth, and Charity and Renata have definitely enjoyed having a furry companion (but then again, we all have).

We are eager both to see what all God has in store for this upcoming month and to tell you about it soon. Thank you once again for your prayers for us!

In Christ's service,
