Missionaries to Latin America | BIO | Fires of Evangelism

Fires of Evangelism Recently

The conference in Bartlett went well in June. Then we had a conference in July in Belize. It is a smaller conference, but we saw seven public professions of faith and one person surrendered to serve the Lord full-time. In the Celaya conference over 500 soul-winners went out into the community. Hundreds were saved. Ten came to services and were baptized. There were 62 folks that surrendered to serve the Lord in full-time service!!

Those for full-time service in Celaya

Prayer Needs

Pray that Christopher will come to church to make a profession of faith and be baptized. Pray that Carlos, Enrique and Steven will get saved. We just found out today that after getting a roof leak fixed that we have maybe two more years on the roof of our house. Please pray that God will provide the means by which to accomplish a replacement in the coming future and that our roof will last until then. Pray for God's blessing upon a church inauguration in Arajuno, ECUADOR. I was just invited to help in this event, and will leave on September 21.

"Requests & Responses"

Jesus asked in Matthew 7, "How much more shall your Father which is in heaven give good things to them that ask him?" We have a hearkening heavenly Father who is so attentive to His children and desires for them the best things to make them more like His heavenly Son (Rom. 8:29). He is more loving than we deserve (1 John 3:1). And along the way He will even give us some of our desires. He guided me to the only junk yard (out of 3) that had a hubcap I needed for my Altima. In praying about the Lord's direction in our conference in El Salvador, I really felt Robin needed to come with me. As I continued praying, God created conditions to make it possible as well as providing the needed money to cover her airfare (thank you New Hope of Canton, OH!). Praise the Lord! She is going with me next month. God gave me strength and health to participate in the conference in Celaya, Mexico, this month. I needed it. I spoke eight times during the week, with five of them being in the morning on the last day Thursday. Whew!! God also answered prayer in providing me money to make the trip to teach in Nicaragua in October. We are so grateful to the folks that God used to make that happen.

We saw the Lord answer the barrage of prayers blasted upward on behalf of the Fundamental Independent Baptist Church of Celaya, Mexico. In the face of opposition and accusations, the church voted to have Antonio Rojas become the new pastor, who had been serving as a missionary to Haiti. Bro. Rojas arrived about a week before our conference started that we held there this month. We had concerns about whether or not we should have the conference because of the situation the church was in. But, it was very evident that having our Fires conference was what the church needed. It focused the membership on a cause, got them busy working, preparing, serving others, and exposed them to preaching that encouraged and focused them to embrace and work with their new pastor. (Note some of the results in the column at the left.) I just heard from a church member a few days ago who described the new pastor, conference and following weeks as "everything was a revival in the church." PRAISE GOD!

Opening morning session in Celaya

Along the way in the travels and here at home, God has given me opportunities to present the gospel. There is Carlos, Enrique, and Steven. Steven said that it was a beautiful truth that I gave him, but he wanted to think about it. Two weeks ago I gave the gospel to Christopher. He was open. While I presented him the gospel, he said that God was talking clearly to him, and he needed this. As I prayed for him, he decided to pray and take Christ as his Savior. AMEN!
