Fall 2026 - #2

Dear Praying Friends and Ministry Partners,

Thank you for standing with us in prayer these past several weeks. When we last wrote, our family was facing several heavy trials. Today we can testify once again to God's faithfulness.

On September 30, Jeff underwent an extensive cervical spine surgery. The doctors warned us the recovery would be demanding, and they were right. After strong early signs, severe muscle spasms brought a setback and a return to the hospital. But each week brings steady progress. Jeff is growing stronger, with Sandra right beside him, and we fully expect to be traveling again before long. We also continue to grieve the loss of Jeff's brother, and we are holding Sandra's mother, Marilyn, close in prayer as she faces serious health concerns.

The Ministry Is Moving Forward

The ministry has not stopped. God has not stopped working. And neither have we! Much of our work right now is happening from a desk instead of an airplane seat, but pastors are being encouraged, students trained, and churches strengthened across Latin America.

Our longtime partner, Sergio Saravia, has returned to Bolivia after three months in Manila with Global Surge, gaining hands-on experience in evangelism, camps, street ministry, chaplaincy, and more. We are praying about partnering with him in Riberalta, the commercial hub of the Bolivian Amazon, to put these tools to work. God has also opened doors for us to begin new works in four more areas in Santa Cruz, the largest city in Bolivia.

Government delays caused the seller of the building we were purchasing for our new church to back out. The people are still meeting and growing in their faith, and we are trusting the Lord to provide the right place in His time. Thank you for your partnership and patience as we work toward the right solution.

How You Can Pray

Please pray for Jeff's full recovery, for Marilyn, and for our family. Pray for Sergio, for wisdom regarding Riberalta and the four new potential ministry areas, for the church in Santa Cruz, and for the pastors, churches, and students we serve.

Overcomers by Faith

"For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith." (1 John 5:4)

God was faithful before the surgery, faithful through it, and He is faithful today. The best is still ahead!

Serving with you for God's glory,
Jeff & Sandra Price'"

P.S. Our 2027 calendar is opening up, and we'd love to visit your church.
