SEPTEMBER/OCTOBER 2026 — MISSIONARIES TO PERÚ

Ladies Conference

Much prayer, preparation, and hard work went into this year's Ladies Conference which was held October 15-17. Two ladies from Lima, Heather Hedderman and Martha Hoyos, came to speak on the theme of spiritual growth. There were around 150 ladies and teenage girls who participated, including 25 from our church. One of our young ladies made the decision to trust Christ as Savior on the first night!

Men's Bible Study

In the month of September, we started our monthly men's meeting up again. We have around 8 men who meet to sing, pray, and study God's Word together. Please pray for God to raise up men in our church with a desire to grow spiritually, lead their families well, and encourage others.

Missions Conference

We had a wonderful missions conference this year with Missionary Alvaro Huarsaya and his wife Tereza, who are heading to an area outside of Arequipa to plant a church starting in December. Alvaro and Tereza were both students of mine when I taught in the Bible College in Arequipa, and it was a great blessing to see how God has worked in their lives. Please pray that as a church we will be able to give more than ever towards missions in this year. We currently support 8 missionaries and missions projects and desire to do more.

Camp Property

God has already provided a generous donor who will match any donation up to $10,000. Several people have promised to help as we move forward. There are two properties that we are considering:

-an 11-acre one that costs $50,000 and has a well and electricity and
-a 2.5 acre property that costs around $20,000.

There will still be many costs to get the camp up and running, and we are praying for wisdom on these things.

Upcoming Events

We are excited to be hosting our first **medical clinic** on **November 19**, where a group of doctors from Lima will be coming to minister in our area. Please pray for people to come to Christ, as the Gospel will be presented to each person who comes through the clinic. Our desire is to see people saved and added to the church. We are also working to prepare a special evangelistic **Christmas cantata**, which will be presented **December 19-20**. Please pray with us that God would work through these events.

Upcoming Furlough

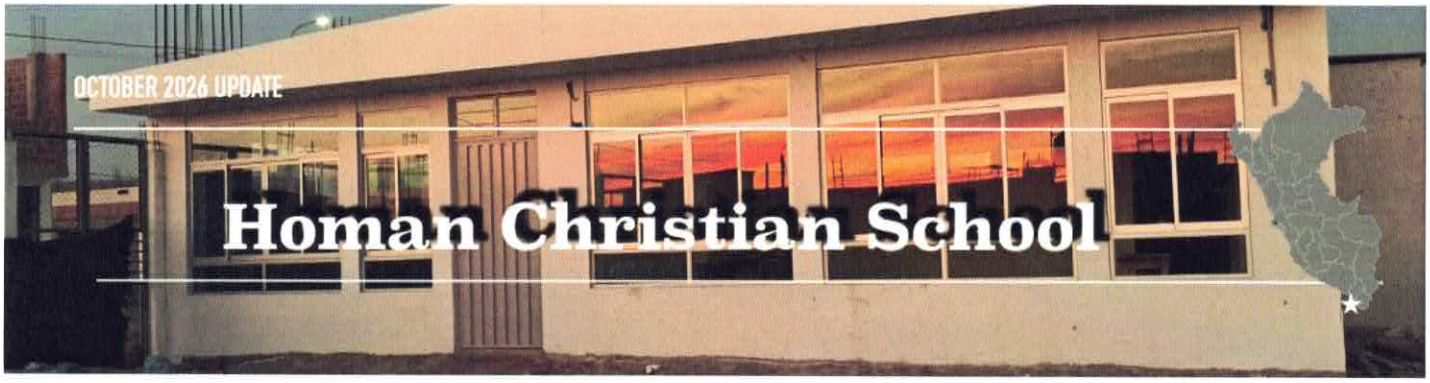

We are planning a needed furlough April-September 2027. We are working to set things in order here in Peru, so faithful people in the church will continue the ministry in our absence. We currently have 2 men who can preach and others who are learning to lead in other ways. *It is Christ's church, and we trust He will build it by His power!* We are working to schedule meetings for our time in the US. If you would like to have us visit your church to give an update, you can contact me at 330-238-4944 or rstover22@yahoo.com. We look forward to seeing many of you!

Your prayers and financial support are a tremendous blessing to our family!

Here to serve,

Robert & Sara Stover and Family

Dear Pastors and Praying Friends,

Thank you for your prayers and financial support of the Homan Christian School project. Pastor Henry Sucapuca has been a great blessing in helping to supervise the work and advances going on at the school. We have continued to coordinate with Señor Percy, who is helping to move forward with the paperwork, requirements, and remodeling projects.

There have been several things that needed to be modified to satisfy the requirements, especially with the restrooms. These modifications as well as several minor repairs due to the unusual rains we have experienced this year ended up costing around $5,000 and are nearly finished.

There have been several unexpected expenses as well, including: getting the property taxes up to date, paying some extra fees related to the construction, making a bigger play area, changes to the architectural blueprints, and security measures (emergency lights and fire extinguishers). Thankfully, we have been able to cover these unforeseen expenses with money that has already been given.

We have several specific prayer requests of things that need to move forward in order for us to be able to begin in March of 2027:

1) The paperwork for the school licensing to be completed. This has proven to be a very slow process, and we need God to work in this area.
2) We need God's wisdom and guidance in selecting teachers and staff.
3) We still need $15,000 to complete the exterior playground area.
4) We would like to set aside $5,000 to cover unexpected preliminary expenses.
5) We would like to have $15,000 in an escrow fund to help cover staff salaries for the first year.

This ministry is the Lord's, and we trust Him to provide in His timing.

Thank you for your faithful prayers and support.

In Christ,
Missionary Robert Stover- Tacna, Peru

Any gifts toward this project can be sent to:
